

Overdale

Hollins Lane, Marple, Stockport, SK6 6AW

Conveniently located next to the centre of Marple, Overdale is ideally situated for local shops and amenities.

Pleasant walks can be found on the Peak Forest canal which runs through Marple itself. There is a spectacular historic flight of 16 locks construed between 1795 and 1804 which raise the canal 64 metres in just over 1.6km. The Marple Locks festival with boat trips and entertainment is held bi-annually. The District of Marple covers just over 11 square miles of attractive countryside, ranging from heavily wooded valleys to hill-top moorland. On a clear day it is possible to view the four counties of Cheshire, Derbyshire, Lancashire and Yorkshire from the top of these hills.
