## Whitegates is conveniently situated for the excellent shopping facilities of Cheadle village, which is within easy walking distance.

Cheadle has a host of attractions including a variety of eating places and pubs. Among the amenities for local shoppers is a John Lewis store, situated only 1.3 miles (2.1km) from the development. There are a number of historic buildings: notably the early 16th century Grade I listed St Mary's parish church whose oak ceiling bears Tudor roses carved on the instruction of Henry VIII. The popular award-winning Bruntwood Park is nearby, as is the nearby Cheadle Golf Club. Also within reach is Bramhall Hall, a black and white timber framed Tudor Manor house with terraces, lawns and lakes, set in 70 acres of parkland.
